

EASTERN MISSOURI SOCIETY FOR PALEONTOLOGY

Release From Liability

I hereby stipulate that I will not hold the Eastern Missouri Society for Paleontology (EMSP), the field trip leader, or any EMSP officer, member, or affiliate, responsible for any injury, loss of property, or other incident that may occur while participating in any EMSP sponsored activity, or while traveling to or from such an activity. I accept sole responsibility for the safety of my minor children or any minor child that may accompany me to participate in an EMSP sponsored activity. I specifically agree to and confirm the following as part of this release: This release is given to cover me, the minor children in my charge and anyone who might attempt to institute a claim by or for me or minor children in my charge, including heirs, executors, administrators and assigns. If the minor children or I get injured, I also specifically release all such persons or parties from any claim related in any way to giving help or first aid to myself or the minor children. Any personal injury or damage or loss of property that I or a minor child in my charge may suffer, from any cause, shall be my own responsibility.

I understand and agree to abide by the rules of the EMSP while participating in all EMSP sponsored activities. I have no physical condition that could in any way jeopardize my safety or that of other activity participants. I have carefully read this Release, know the contents of this Release, and sign this Release voluntarily. I understand and agree that the terms of this Release are contractual and not merely recital.
